Charity Golf Tournament

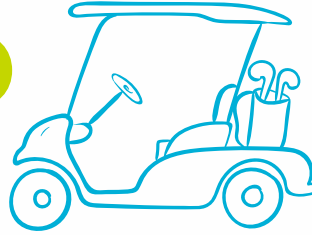

Presented by
RONA

August 21
2025

 **Habitat for Humanity®**
Saskatchewan

Swing a club to build a home.

Habitat for Humanity Saskatchewan is thrilled to be putting on its second annual charity golf tournament. On August 21st, 2025 we'll gather at the Aspen Links Golf Course to raise money that will help build homes for families in Saskatchewan.

About Habitat Saskatchewan

Habitat for Humanity Saskatchewan is a local nonprofit housing organization that envisions a world where everyone has a safe and decent place to live. We help lower-income families build strength, stability, and self-reliance through affordable homeownership. With the help of volunteers, donors, and community partners; we provide a solid foundation for better, healthier lives for families in Saskatchewan.

Homes are not free at Habitat - after completing 500 volunteer hours and being provided educational resources on homeownership, the family signs an affordable mortgage through Habitat Saskatchewan at 25% of their total household income.
